“WORLD AIDS DAY”

On 01-12-2023 NSS Unit of ALTS and Primary Health Center, Itikalapalli Village, jointly organized an awareness rally on AIDS among the villagers on the occasion of World AIDS Day at Itikalapalli village. On this occasion, the rally was conducted from College to Itikalapalli Village by NSS Volunteers. The Principal of the College Dr. N. Ramamurthy garu inaugurated the rally and he said that although there is a cure for many diseases in the world, there is no cure for AIDS yet. In-depth research for the drug has been going on for almost 30 years. However, they are unable to kill the human immunodeficiency virus (HIV). There are only drugs that can stop the virus from growing. So once AIDS comes, it can no longer be completely cured. But, controlling it with medication. That said, there are opportunities to live longer.

NSS PO Mr. Khaleel Basha garu, said that World AIDS Day is celebrated on December 1 every year to inspire AIDS victims and create awareness on AIDS.

In this Program, NSS Unit Programme officers, Primary Health center Staff of Village, NSS Volunteers and others participated.
